A SECOND MORTGAGE. Home improvement without wrecking your budget.

This is the time of year when a lot of us start thinking about adding on a room or two to the old place. Or completely redecorating. Problem is that it costs a lot of money. And while you can afford to pay for it over the long haul, you just don't have that much money at one time.

There's an easy solution: a Central Fidelity Second Mortgage. With the equity you've been building up in your home you can borrow money for home fix-up, or any good reason. And you can take as much as ten years to repay. Talk to a Central Fidelity Loan Officer about your money needs. And improve your home without wrecking your budget.
